- 2 meters drawstring cording
- Thread to match

Pillow Case

- .7 meters of cotton fabric
- .3 meters of coordinating fabric
- Thread to match

PJ Pants

- 2.25 meters of cotton fleece or flannelette
- 1 pkg $\frac{3}{4}$ " wide elastic
- Thread to match

The three beginner projects will be completed for half day campers. Some students may have enough time to complete a fourth project.

Full day beginners are typically done their projects by end of day Wednesday and then can continue to develop their skills by making items of their choosing and skill level.

Return or experienced sewers have the option to come to camp prepared to make the projects of their choice and skill level. For project ideas check out the Simply Sewing with Kelly board on Pinterest.

Please feel free to contact me if you have any questions.
